"People have the opportunity to make personal decisions and choices. However, once they excercise their options, they must be prepared to live with the consequences. Too often individuals, in trying to avoid the risks inherent in choice, relinquish their potential for control of their own lives. The act of choosing appears to be more directly related to the courage of the chooser than it does to the significance of the choice involved."

SPIRIT WEEK

THE RALLY

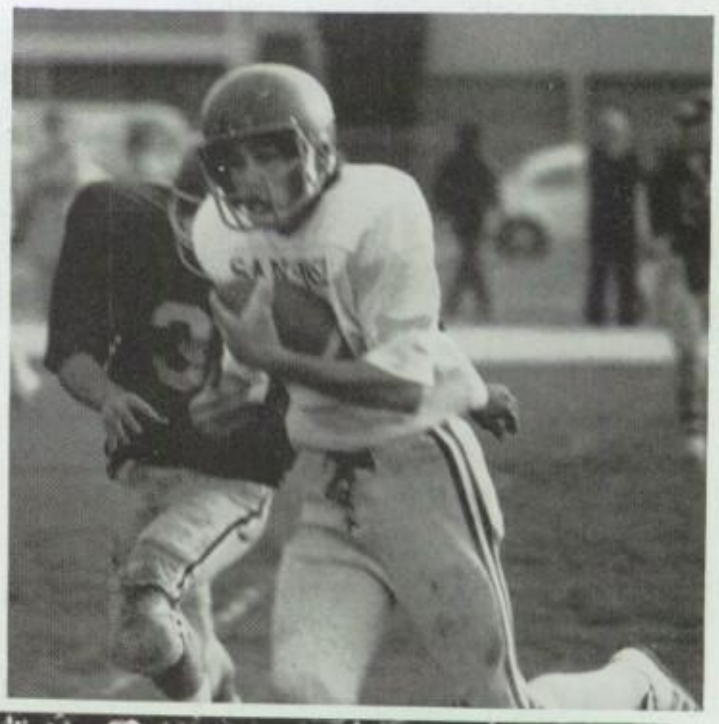
The Little

GAME

Little Bone King and Queen
Andy Gonzales Liz Legrande (Sub-Robert Craig)

Little Bone Prince and Princess
Juan Piceno Sally Medina

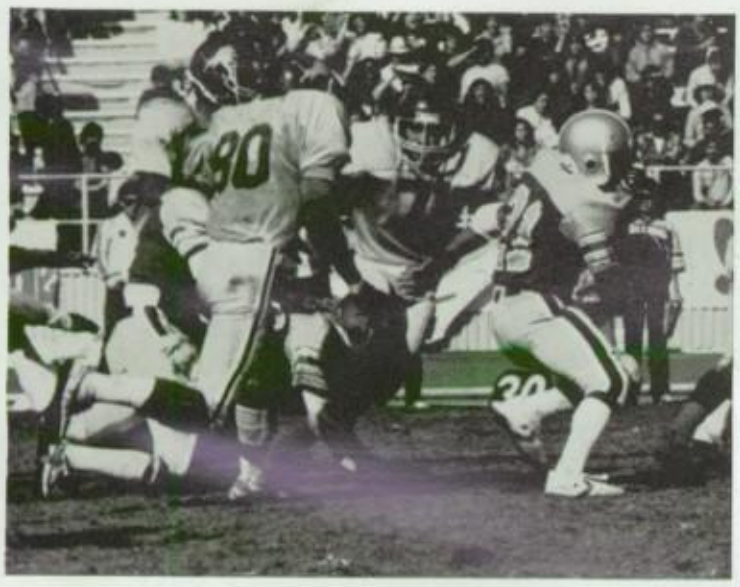
This year's Homecoming activities were kicked off with the Little Bone Rally on Friday, Nov. 12. At this rally honoring our Frosh-Soph team, the Little Bone Court was announced. Queen Liz Legrande and King Andy Gonzales along with runner-ups Sally Medina and Juan Piceno, reigned over the game with Lincoln later in the afternoon.



S J BIG BONE DANCE

Queen Kathy Argandar and King Eddie Galvan along with runner-ups Virginia Grimaldo and Zeke Mendez were crowned and presented as honored guests.

On Friday, Nov. 19, the annual Big Bone Ball was held here at San Jose. D.J. Bernie Arce provided the sounds which were just right to unite Lincoln and San Jose in the "Spirit of the Bone."



Thanksgiving Day, 1982, turned out to be a beautiful sunny day, and the 6,000 fans of Lincoln and San Jose were treated to a thrilling contest between the two teams. Although San Jose lost the game and the coveted Big Bone trophy, the excitement and enthusiasm shown by the Friends, Family, and Alumni who attended to support our team truly demonstrated the pride we have in San Jose High.

"YEARBOOK GOES MEXICAN STYLE!"

And here they are, "The Yearbook Staff of '82-'83. Standing in front of the famous "EL TORITO" restaurant.

The Yearbook Staff of 1982-'83 took some time off from a very hectic schedule to have a "Luncheon" at the famous, "EL TORITO" restaurant & cantina. The class picked this particular restaurant because of the good reviews given by a fellow staff member, Lorraine Flores. She said that it was a "Wild & Crazy" place to eat. Soon we found out just how "Crazy," it really was. The food was marvelous! Some of us dared to experiment with "Non-Alcoholic Beverages" such as "Shirley Temples," "Pina Coladas" and "Virgin Strawberry Daquarris." And to most of our surprise, they were quite good. The decor of the restaurant was "totally Mexican," and very enjoyable to the eye. The service we had received, was very courteous and friendly, not to mention the great lengths the staff went to, to make our time there a very enjoyable one.

"HAPPY BIRTHDAY DIANE" Cliff sings while lighting the candles on her 18th birthday cake.

Ray Ortiz has entered, "THE TWILIGHT ZONE!!"

LEG. COUNCIL

One of our main goals for this year is to get more students to be involved in Student Govt., especially in finding people to run for next year's ASB election. By working together as a team, we have succeeded in many activities in our school as well as working with other schools including our local community.

Hopefully we will look toward the future for more students to participate.

PEP CLUB

As you can see by the picture at the right, When the PEP CLUB gets together the SPIRIT and ENTHUSIASM level goes right through the roof. This years staff added the extra ingredient that made SAN JOSE what it was this year.

LEARNING TO EARN

The Learning to Earn curriculum now at San Jose High is an employer and industry supported program for 10th, 11th and 12th grade students designed to teach students those skills needed for success in an entry level position in an industry in Santa Clara County. 150 students at San Jose High are now enrolled in this program that stresses attitudes, basic skills, and computer literacy. Students learn about their own abilities and aptitudes, learn how to make personal and career decisions, gain knowledge of skills needed to find a job, plus the attitudes, decisions and skills needed to keep a job. San Jose High is very fortunate to have the Learning to Earn Curriculum for its students.

NEW YEAR'S DANCE

Oh Shoot! I think I hurt my back!!

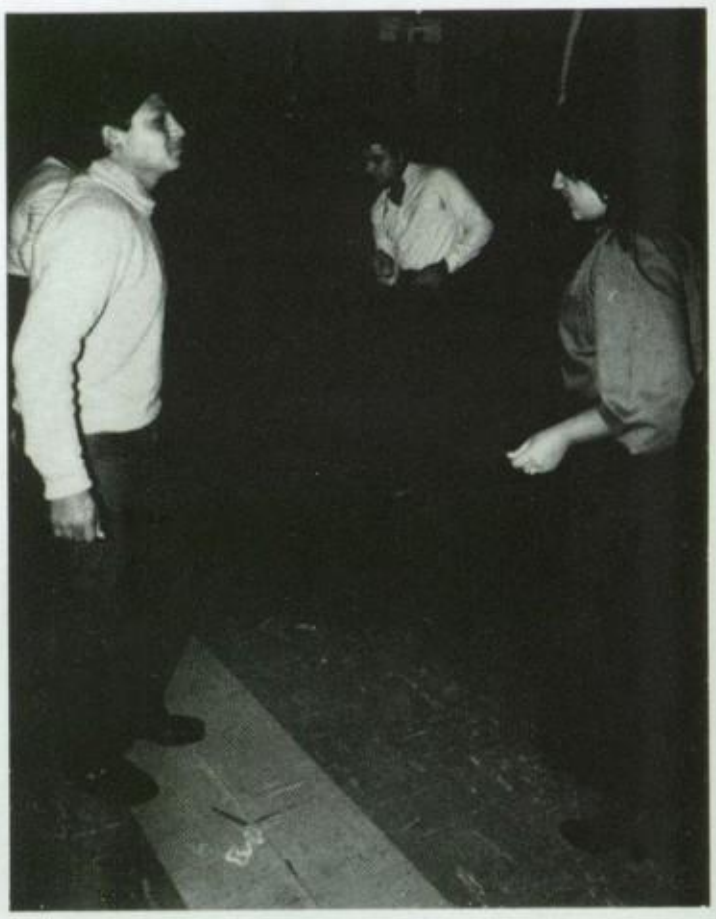
Try that again and you'll be sorry!

Excalibur proudly presented the dance to welcome in the great year of '83. John Lopez put down the sounds that had everybody dancing till the cows came home. May '84 be as great as '83 has already been.

Look! I'm dancing! I'm dancing!

Your favorite sounds mixed by D.J. John Lopez!

Oh! Look at that fine guy!



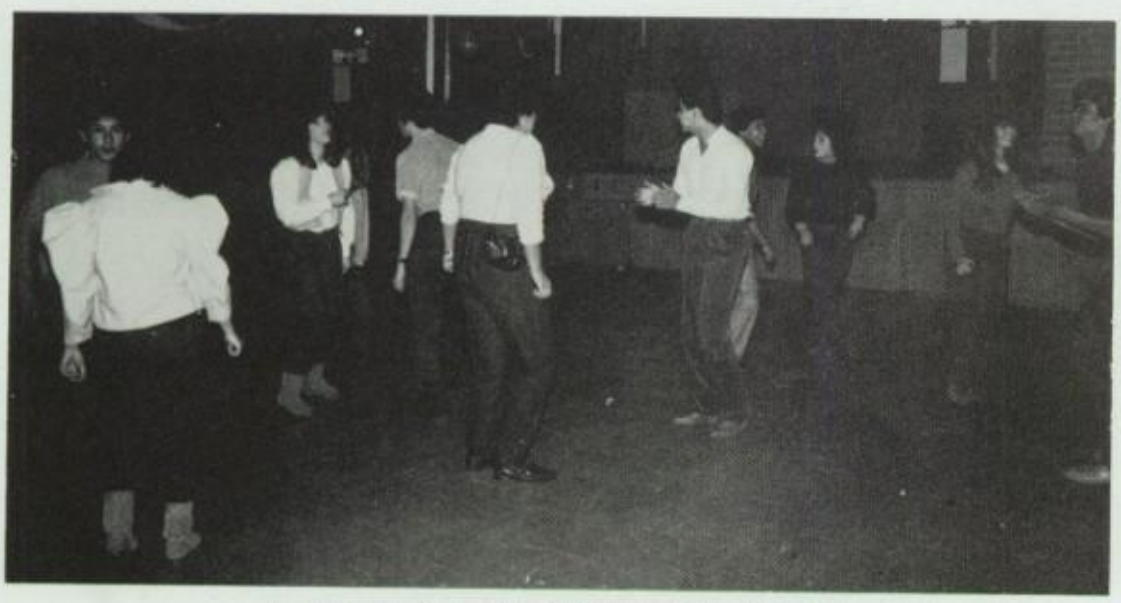
Get a little closer, I don't bite!

Slow it down a little, Gina!

OK, Ray, I finally got the move.

The "troops" retreat to the corner.

"And the beat goes on"



Moving to the sounds of sensational John Lopez!

PHI "under the spell!"

SAN JOSE VOLLEYBALL '82-'83

The San Jose Bulldogs had a building year in our first year together. Several of our **VARSITY** players were new. Gina Duarte, formerly from Riddle, Oregon was one of these new players; she has been playing volleyball for the past five years now and has been quite an asset to the team because of her powerful and accurate serves. Another new member came to the team in the end of the season, Norma Renteria is her name, and with her and Kathy Argandar's undying spirit and pride, the season was one to remember. So, all in all, the season was a learning experience for all of us, but an enjoyable one at that. The highlight of the season came when the Bulldogs rocked "Undefeated" and CCS bound, Leland and gave them quite a scare with the team work that the Varsity team had put together. We had them diving for the ball as if their very lives depended upon it. We easily defeated them in the first game, S.J. 15-11, the second was a close 16-14, and finally lost the match in a close 3rd game. With the undying Pride and Spirit, we ended the season with **Pride** in ourselves rather than our record, although the season has ended, our feeling of togetherness shall go on forever.

The 1982 Football Season started with high expectations, but due to nagging injuries and lack of numbers the season became an on going fight against the "numbers game." In the world of Athletics, teams are judged by their won - loss records. The 29 Bulldogs that endured the pain of 10 losses, nagging injuries and unwarranted criticism, can only be judged by the size of their Hearts. Winners they are! As testified by opposing Coaches who lauded the BULLDOGS for their fierce Competiveness and Togetherness.

The BULLDOGS were led Defensively by LINEBACKERS Eddie Galvan, Sam Aguirre, Joe Rose, and Henry Calibozo who averaged 8,10,12 tackles a game, respectively. Defensive Backs Karl Saito, Mingo Rodrigues, Booker Moore, Chino Abundiz, along with Defensive End Wimpy Rameriz were main stays.

OFFENSIVELY THE RED & GRAY were led by QB Frank Martin, HalfBacks Zeke Mendez, Sal Cortez, Berto Gonzalez, and Wide Receiver Ken Byrd. Mark Cardova and Ramon Gamino were the foundation of the line.

To the 1982 BULLDOGS I salute you for your never say die attitude and for taking on the challenge of trying to turn the Football Program around. 5,500 people on Thanksgiving Day witnessed your Pride in what many observed as one of the best "BIG BONE GAMES EVER." You're truly the finest that SAN JOSE HIGH SCHOOL had to offer.

Thanks for your hard work, Pride and for being BULLDOGS.

The 1982 football season for the Bullpups was bitter and sweet. We are proud that the Little Bone remains here at San Jose. This is the 6th year we have had it here. The BullPups were led by 4 Santa Teresa All League picks; Fred Stewart, Vince Speaks, Bebe Aguirre, and Robert Barragan. Fred Stewart, who was a sophomore and this years QB, promises to be a great help for next years Varsity passing attack. Also Vincent Speaks will add to the talent of receivers.

The team was very young with 12 starters who started for their first time. The more notable of this group were 2nd team All League pick Bebe Aguirre and Robert Barragan. Bebe was most outstanding as a defensive line backer. His aggressiveness made him one of the most dominating forces on our defense. Robert Barragan proved to be a durable running back. Best of luck- BONE STAYS HOME in 83.

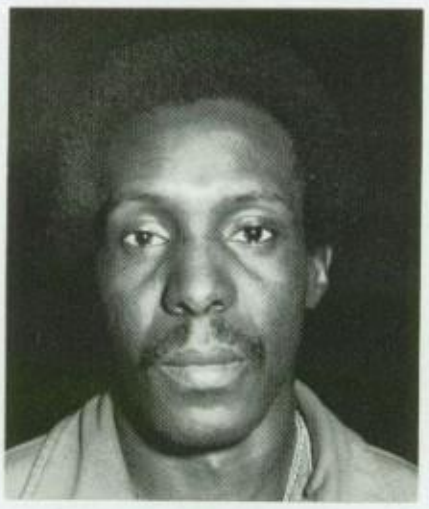
FINAL FOUR



VARSITY: **S.T.A.L. Champions and Final Four:**

The 1982-83 season marked the first time a San Jose High Basketball Team reached the "Final Four" of the C.C.S. Tournment. The season brought back a S.T.A.L. The greatest accomplishment was the fact that it was done with 8 varsity players who overcame a great deal of adversity and injuries tht almost marred the 1982-83 season.

The 82-83 season was highlighted by a Fourteen game winning streak, scoring over 100 points on 3 different occasions with the highest being a school record 112 points, seven players averaging near double figures for 25 games with Booker T. Moore highest at 17.8 points per game and a Team averaging of 67.3 points per game while giving up an average of 52.4 - a point spread of 15 points per game.

Outstanding individual performances were turned in by the following members: Booker T. Moore - 43 points in a single game; Booker Moore - 17 rebounds in a single game; Ron Fratini - 7 Block Shots in single game; Frank Martin - 16 Assists in a single game; Ken Byrd and Frank Martin - 6 steals in a single game; Sal Cortez - Longest shot of the season was (84 Feet). Several San Jose High Players were named to the All League Team: Most Valuable Player - Booker T. Moore; First Team - Ron Fratini; Second Team Mingo Rodriguez; Honorable Mention - Frank Martin and Sal Cortez. The Bob Hagen Memorial Award to a graduating senior who has demostrated what Coach Bob Hagen stood for in Athletes: Academics, Sportsmanship, desire to excel, overcoming adversity, and outstanding defensive ability was won by Ron Fratini.

This truly was one of San Jose High's great Basketball Team that may become Known as the "Iron Eight".

JUNIOR VARSITY GIRL'S BASKETBALL

The 1982-83 Junior Varsity Girls Basketball team consisted of twelve players, two returners and ten first year players. Through hard work, first year coach Eric Lowe would attempt to build a winning team out of this young group of players.

During the preseason, San Jose posted a 3-4 record. The preseason started with a loss to Santa Teresa High School (24-14), but the team came back to defeat Yerba Buena High (33-8). The next week San Jose fell victim to Andrew Hill High (22-16), but showed their mental toughness by defeating James Lick High (44-6) and Fremont High of Sunnyvale (38-6). The Bulldogs finished out the preseason with two disappointing losses to Mountain View High (21-19), and Silver Creek High (17-13). Freshman Lisa Salazar ended the preseason with a 17.2 points per game average. The outlook for league play was very optimistic!

But alas! The Bulldogs were not to have their way, compiling a 1-9 regular season record. San Jose saw their only victory come against arch rival Lincoln High School with a 23-18 win in overtime. Although the Bulldogs won only one game, the future must be bright as the team showed a great improvement in their overall game play. With ten players returning, both the team and coach are looking forward to next year.

Outstanding players on this years team included Sabrina Herrera, Lisa Salazar, Vicky Espinoza, and Sally Rodriguez.

Frosh-Soph Basketball 82-83

The 1982-83 edition of the Bulldog Frosh-Soph team was a special year for San Jose High, as they finished the season with a 20-2 record. The season record is an all-time school record for a season. The Bullpups claimed the Santa Teresa Athletic League Championship with a 9-1 record, finishing ahead of Gunderson (7-3) and Willow Glen (7-3). In December, the red and grey captured the 16-team Del Mar Frosh-Soph Tournament with Roland Fuentes (38 points), David Aguiar (47 points) and Art Gonzalez (29 points) gaining All-Tournament honors.

With a lack of height, no starter over 6'0", the Bullpups utilized, pressure defense, the fast-break and played unselfish basketball in an average of 39.7 ppg over-all and 54.0 ppg in league. The defense allowed an average of 39.7 ppg over-all and 41.5 in league. Center Roland Fuentes 6'0", led the team in scoring 293 points, 13-3 ppg and rebounding 185 and had a high game of 24 points against Irvington. Forward Fred Stewart 5'9", scored 203 points, 10.1 ppg and tied for the lead steals with his high game was 20 points against Lincoln. Forward, David Aguiar, 5'8" tallied 218 points for a 9.9 ppg and led the team in free-throw percentage 73% and tied for the top in steals with 48., David's high was 19 points against St. Frances and Pioneer. Guard, Art Gonzalez 5'8" scored 155 points for a 7.0 ppg and led the team in assists with 99. His high game was 16 points against Gunderson. Guard, Conrad Gonzalez 5'7" rounds out the starting Five, with 154 points, 7.0 ppg and had a high game of 15 points against Irvington. Freshman, Sheffield Clarke, shows promise for next year as his high game this year was 11 points against Wilcox. Sophomore, forward, Craig Roberts was used for his strong defense and rebounding and Craig had a high of 8 points against Oak Grove.

"This years team learned a lot this year, as I did. It was my pleasure to coach this team because they worked hard in practice, gave 100% during the games and never gave up. If you had to measure success by team attitude and unselfishness, then, this team is undefeated in my book. I feel that through the team's play during the season, they represented San Jose High with respect and class, and I will always remember this team because they will always be very special to me."

The Lopez sisters, Yolanda and Rosie, along with Olivia Silva and Diane Maldonado are the veterans and are being counted upon heavily to lead the girls to victory. Peter Wong and Manuel Legrande are also veterens and are being counted upon to lead the boys. Willow Glen and Gilroy looks like the schools to beat in the league this year with SAN JOSE being a definite dark horse.

DAWSON'S COMMENTS

This could be the year the bulldog Baseball team puts it all together. With a new group of young players and a mature group of returning Seniors, the team has taken off to its fastest start in years. Returning Lettermen Sal Cortez, Joey Sarabia, Richard Martinez, Miguel Esparza, Danny Zabalza and Rick Barone make up the nucleus of the team. Added to this, the speed of Zeke Mendez and skillful playing of Jose Figaroa and Peter Fasano promise to make this a good season ahead.

A good turn out for the Frosh Soph Baseball this year gave Coach Dawson a hopeful feeling for the future. I have seen a lot of athletes come through San Jose High, but this is the best group I have seen in a long time. This is where we can start building a program.

"OUTSTANDING SENIOR'S"

The 1982-'83 Basketball Season with these "Outstanding Seniors" will be to remember in the future. The way in which these girls played ball was with a lot of heart and enthusiasm. The girls had a feeling of "Togetherness," which made them a very special team. The whole team was made up of 5 seniors, 2 juniors, and 2 sophomores. Although the team was made up of almost all upperclassmen, we are looking forward to a very successful and exciting season next year. The team this year may have had its ups and downs but they still managed to play to their full potential. Even though they didn't take the C.C.S Championships, they are **ALL SUPERSTARS** in our eyes.

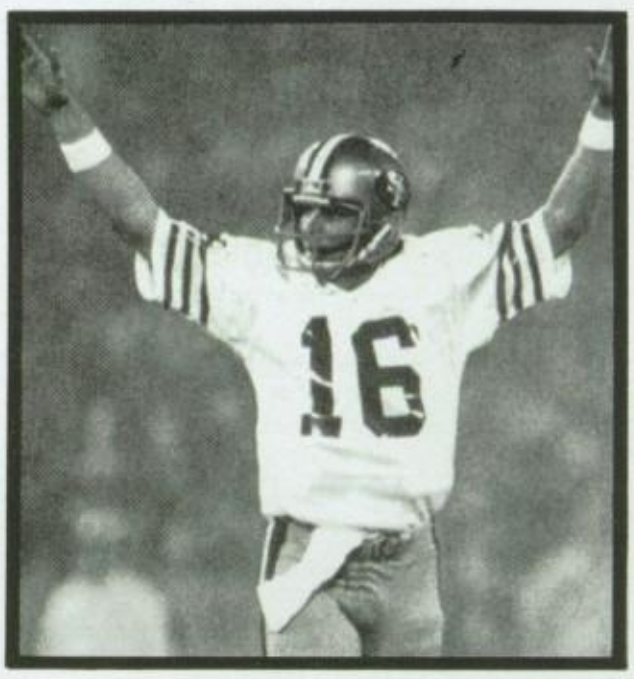
Open Campus



"The class of '83 has seen it all!"
We've seen our principals change from Mr. Huffman to Dr. Rodriguez
Also the success of Star Wars, beaten by E.T., And our Presidents change from Carter to Reagan,
We helplessly watched our "OPEN CAMPUS" close.
We saw the last place 49er's become "Super Bowl Champs"
From Punky Freshmen to Big shot Seniors, we've seen it all . . .
TOGETHER . . . "THE Class of '83".

As seniors we shared so many memories at San Jose High, and now it's so hard to believe we must part and say good-bye.
The friends we met, the good times we spent, were all indeed the best.
So now we say to Ol San Jose, "Good Luck To All The Rest!"

"Memories"

We started out in "79"
With new ideas, fresh and alive.
We soon found out at San Jose High,
That only "Seniors" rule!
Then summer came, but in the fall,
We all returned, with our spirits now alive.
The Sadie Hawkins, Big Bone Ball,
We sure kept busy during that fall.
Then came the prom we had been waiting for,
We danced all night and asked for more.
The years were passing much too fast,
We left once more to return at last.
We've made it gang, we're seniors now!
We'll now rule and we know how.
Our years were ending, we soon learned,
We were leaving again, but not to return.
Then came the night we all waited for,
We were on our own who could ask for more?
But what can you do when you say good-bye,
With a lump in your throat, and a tear in your eye?
Just a wave of your hand, and some thoughts from your heart,
Memories of San Jose High will never depart!!!
